Linda,

Work went great. I'll be prepared to discuss all of my activities as needed. Hope things are going well and thank you for coming down to site. I hope you were able to gain some information of our site work and general workings for removal and assessment activities.

Have a good weekend,

Subject: Action item update for NSP mtg next week

Hey Randy,

I hope you're starting to wrap up the work and the weather held up for you. That was pretty impressive.

Can you review/provide a brief update to these action items from the last NSP meeting?

Thanks!

Linda
